Winter 2019

Winter is here! Well, the cold weather is here. We are still waiting on the snow. Winter is not just about cold weather, snowmen, and hot chocolates. It is the season where plants gain strength and many animals rest. Most importantly, is the season of two of our most cherished holidays. We have many exciting things in the works for the season. We will keep you posted!

READ-A-THON

We will be having our annual Read-a-thon in March. We are still in the planning process.

STAY TUNED!

We hope that you enjoyed your holiday season! Last year was very memorable and was filled with many notable moments. 2019 is now a memory and we welcome 2020. As we begin a new year, we would like to thank you for your continued support. Words cannot begin to express how much we appreciate the parents of Woodland. We look forward to another exciting and productive year here at Woodland!

WOODLAND CELEBRATES

DIVERSITY

Throughout the month of December continuing through this month, our Kindergarten children have been celebrating special holidays of different cultures. These would include Hanukkah, Kwanza, and 3 Kings. Here are some of the highlights.

Dr. Martin Luther King Day Monday, January 2020

“The time is always right to do what is right”

On Monday, January 20th we will be honoring the life and legacy of Dr. Martin Luther King. He was a man of great character and integrity. He was a champion for not only civil rights but for human rights for all men and women. His hard work and dedication helped to win the Nobel Peace Prize where he would donate the entire financial reward to the furtherance of the civil rights movement.

A large, semi-transparent background image of Dr. Martin Luther King Jr. speaking. He is shown from the chest up, wearing a dark suit and a white shirt with a patterned tie. His mouth is open as if he is in the middle of a speech, and his right hand is raised with fingers spread. The image is overlaid on a light blue gradient background.

According to the Nobel Prize association, “In the eleven-year period between 1957 and 1968, King traveled over six million miles and spoke over twenty-five hundred times, appearing wherever there was injustice, protest, and action.” We will forever remember the sacrifice he made to make the world a better place for everyone. We salute you Dr. King!
